### NYS Paid Family Leave (PFL) Available only to Classified service M/C and Unclassified employees only (UUP & M/C)

NYS Paid Family Leave (PFL) is paid leave based on compensation thru the designated insurance carrier paid at 67% of your weekly average salary without charge to your accruals and capped at the State Average Weekly Wage.  
NOTE: Employees will not earn accruals (including holidays) or retirement credits/contributions while in an "unpaid" PFL status.  
Will retain NYSHIP coverage and may be direct billed by CS.

The employee's average weekly wage is established based on the average of the employee's last eight (8) weeks of pay received during the employee's regular professional obligation prior to starting Paid Family Leave. The amount will be determined by dividing either the last eight (8) weeks of wages that the employee was working immediately preceding the first day of PFL, or the closest eight (8) weeks of wages prior to start of the PFL leave, whichever results in the higher amount.

Provides for a total of 12 weeks of leave (paid by appropriate insurance carrier) per rolling 12 month/52-week period. PFL can be taken for:

- the birth of a child or placement of a child for adoption or foster care;
- to bond with a child (leave must be taken within 1 year of the child's birth or placement);
- to care for the employee's spouse, child, parent, or eligible relative who has a serious health condition;
- each employee is entitled to their own bank of leave. Eligible parents who both work for SUNY do not have the split PFL time.
