Parking and Transportation Services
SUNY BROCKPORT

ACADEMIC YEAR 2026-2027

DEAR COMMUNITY MEMBER:

We are happy to know you are part of our campus community as a member of Campus Recreation Services. Throughout the year, including summer and class breaks, all vehicles parked on campus must have a proper permit. Parking and Transportation Services works hard to meet your needs. Be sure to visit us online for all details including campus policies and services available to you. In the meantime, here is a quick overview:

- **All vehicles parked on campus require an appropriate permit**
- **Permits are now virtual**

PARKING OPTIONS

We are proud to offer a reduced rate of $70 per academic year for community members. With this permit you may park in lots T, V and V1. Permits are valid at time of purchase and expire August 13, 2027. While the annual permit provides value, you may also find the ParkMobile App, which accepts credit card payment, a terrific option. You only pay for the time you need. Meters are also available and can be found in the loop in front of Tuttle North and in lot U behind the Special Events Recreation Center (SERC). Meters accept coins only and are limited to 2 hour max.

VEHICLE REGISTRATION

To register your vehicle, please complete a Vehicle Registration Form (other side) and include all requested information. You may stop by the Raye H. Conrad Welcome Center or mail the application along with your payment to Parking and Transportation Services. Payment may be made via cash, check, or credit card.

RULES & REGULATIONS

I understand I may park only where authorized under the Parking Rules and Regulations of SUNY Brockport. In addition, I agree to the following:

1. Persons operating motor vehicles on SUNY Brockport campus are responsible for knowing and understanding the rules, regulations and policies for parking on campus. Ignorance of the contents of these rules is neither excuse nor extenuation for violations.
2. A parking permit carries no guarantee or liability of the University to provide the holder at any given time with a parking space, and the University cannot accept any responsibility for damage to or theft of any motor vehicle or its contents while parked on campus.
3. All vehicles considered to be illegally operated and/or parked, will be subject to an imposition of a charge and/or being towed away or immobilized at the driver's expense.
4. A parking permit is non-transferable unless properly registered with Parking and Transportation Services.
   Note: faculty and staff may register two vehicles for an additional fee; both registrations must be provided, and you must be the only faculty, staff or student member in the family affiliated with the **University**. Students may register two vehicles but will receive only one permit for both vehicles. Parking privileges may be suspended if permit is shared.
5. If you receive a hangtag, it must be properly displayed from the rear-view mirror of vehicle while parked on campus. If a temporary pass is needed, obtain one at the Raye H. Conrad Welcome Center. This courtesy will be extended free of charge twice within the semester.
6. Violations are issued against the parking permit holder. Payroll deduction may be used as a means of collecting past due fines for faculty/staff and a collection agency will be used if deemed appropriate.
7. Refunds are available, however there is a deadline to do so and the permit must be returned. The registration fee is non-refundable. A replacement fee may be assessed for lost or misplaced permits.
